Dear Parents/Carers

Re: Changes to Breakfast and After School Club

I hope this letter finds you well.

I would like to inform you, the School is looking into sourcing a breakfast and afterschool club using an external provision.

Our dedicated team have worked hard to provide a wraparound care provision for our children however in recent years we are finding it increasingly difficult to staff this.

Our team have started to look at externally sourcing this provision, looking at providers who are motivated to bring something different to our breakfast and afterschool club.

I value the input of our parents/carers and your feedback is essential in our decision-making process. I would like to start a consultation period which will open from Wednesday 11th September 2024 to Wednesday 25th September 2024. Please share any comments or questions regarding this proposal. Your thoughts matter and we appreciate your support in shaping the future of our school. Please e-mail your feedback to the school office office@weareacademy.co.uk

We will consider all responses during the consultation period and a final decision will be communicated to you before the end of September.

Yours faithfully
