Re. Weare Academy CofE First School Rebranding

Dear Parents and Carers,

Following my previous communication about the rebranding process being undertaken by all schools within the Wessex Learning Trust, I am excited to share that we have now received the initial designs for our new school logo. This is an important step in updating and aligning our school's identity with the wider Trust, while still celebrating what makes our school unique.

Your input is incredibly important to us as we embark on this process. We would love to hear your thoughts and feedback on the proposed designs to ensure that our new logo and vision statement reflects the values, vision, and community spirit of our school.

We have included examples of the draft designs below and encourage you to share your opinions and suggestions. To share feedback please complete the forms survey by scanning the QR code above or via this link <https://forms.office.com/e/pWDWqvNe6Y>. The survey will be open for feedback until Sunday 1st December.

Thank you in advance for your participation in this exciting process. We are looking forward to creating a logo that truly represents our school's identity and the wonderful community we serve.

Warm regards,

Chelsey Dover
