

Dear Parents and Carers,

We are delighted to announce that Primary Forest School & Outdoor Education will be delivering Forest school sessions to your child's class. Our Forest School Leader is looking forward to welcoming you to the Forest School site!

Your Forest School day will be: Term 3, every Tuesday, 1-3:30pm.

Your child will have the opportunity to explore, play and learn in an outdoor environment. During sessions they will cover a variety of topics including woodland skills, seasonal topics, den building, fire lighting and safety to mention a few! Occasionally, we may include food to the sessions such as marshmallows so **please do inform your leader or school if your child has any dietary requirements or if you'd like them to opt out of food tasting activities.**

A key aspect of Forest School is experiencing the site in all safe weather conditions including rain! The programme runs all year round and depending on weather conditions, there is a possibility **your child will get muddy or wet!** For your child to participate in the forest school adventures, please can you **ensure** the following items are present in school for **every session**:

- **Wellies** or appropriate outdoor footwear with a spare bag for after
- A **change of clothes** (suitable to get muddy)
- A warm **jumper and coat**
- **Waterproofs** (coat and trousers are advised)
- **Sun hat/ sun cream** (if applicable)

We ask that you complete the attached GDPR images form and return to school at your earliest convenience.

Kind Regards,
Ellen Surtees- Director
