Re. Year 4 staffing update

Dear Parents and Carers,

Following my previous letter regarding Year 4 staffing after Easter, I am pleased to confirm the remaining teaching arrangements for the class.

Alongside Clair Morris, we have now appointed Millie Hole to work with the Year 4 class for the remainder of the academic year. Miss Hole is currently completing the final stages of her teacher training and is on track to achieve Qualified Teacher Status (QTS) in July 2026. I was able to observe Millie in her current setting at Axbridge First School and felt that her teaching style and relationships with the children in her class were exactly the right fit for our school and for the Year 4 class in their final term. We are very pleased to welcome her to the team and are confident that she will provide high-quality teaching and support for the children.

Miss Hole will be in school Monday, Wednesday, Thursday and Friday. At the start of the week, there will be an overlap and she will work alongside Mrs Morris to support the class and develop a shared understanding of the children's learning. She will then take responsibility for teaching the class independently on Thursday and Friday.

This structure will provide good consistency for the children across the week, as well as additional adult support in the classroom at the start of the week while both teachers work together.

Mrs Morris and Miss Hole will also have opportunities to attend school during the remainder of this term to get to know the children and work alongside Miss Eggby to support a smooth handover. Miss Hole will also be joining Mrs Morris at the Meet the Teacher session on Wednesday 25th March, which will be a good opportunity for you to meet her.

Thank you again for your continued support as we put these arrangements in place for the final term. We are confident that this teaching team will provide a positive and successful end to Year 4 for the children.

Kind regards,

Mrs C Dover
Headteacher
