Headteacher's Message

Dear Parents and Carers,

It has been another busy and positive week in school, with lots happening across the community.

Firstly, a huge thank you to the parent volunteers who have given up their time to help sort and organise books for our library project. Their support has made a huge difference and the library is really starting to take shape. We are hopeful that it will be fully up and running next term, providing an exciting and refreshed space for our children to enjoy reading.

As part of this work, we will also be holding a book giveaway on the playground every day next week to help pass on any unwanted books and encourage children to discover something new to read. Please do come along and take some books home with you - we would love to see as many children as possible enjoying them.

A reminder as well that our next Church service will take place next week at 9:45am, with a focus on our Christian value of the term: kindness. We hope many of you will be able to join us.

We would also like to take the opportunity to remind families about the importance of monitoring children's online activity and gaming. In particular, the game Fortnite carries an age rating of 12+ and can expose children to online communication and content that may not always be appropriate for younger users. For support and guidance, including recognising signs of problematic gaming, managing gaming-related meltdowns, and understanding online risks such as bullying and inappropriate content, please see the following parent guide: [Online Gaming FAQs for Parents](#)

Finally, a quick reminder that our fundraising campaign for the new all-weather outdoor classroom is still underway. Thank you once again for the incredible support so far — we are delighted to have now exceeded the £1,000 mark and the staff team are continuing to prepare for the inflatable race on Sports Day. Although we have reached this milestone, we are still gratefully accepting donations as we continue working towards fully funding this exciting project. Donate at: <https://www.justgiving.com/crowdfunding/weareacademy>

Thank you, as always, for your continued support.

Warm regards,

Mrs Dover
