Headteacher's Message

Dear Parents and Carers,

It has been another busy and successful week in school, with lots to celebrate.

Our Year 4 pupils had a great time attending the French Café hosted by the pupils at HSMS. It was fantastic to see them using their French skills in a real-life setting and representing the school so well. Thank you to the PTA for supporting this event. It has also been a big couple of weeks for Year 4, who recently completed their Multiplication Tables Check. All their hard work and practice paid off, and they approached the assessment with confidence and determination. We are very proud of them.

Similarly, our Year 1 children have been completing their Phonics Screening Check this week. They have worked incredibly hard throughout the year and approached the check with fantastic attitudes and resilience. They should all be very proud of themselves and everything they have achieved.

At Weare Academy we love celebrating the achievements of our children outside of school. We already share extracurricular achievements through our whole-school achievement display, where children are encouraged to bring in photos of the activities and events they have been taking part in. In addition, if your child has recently earned a certificate, medal, trophy or award through a club, activity or organisation, they are very welcome to bring it into school so that we can recognise and celebrate their success during our Friday Celebration Service.

As we start to think ahead to next year, I have been speaking with the children about the extracurricular clubs they would like to see on offer. We have had some brilliant (and very ambitious!) suggestions. This links nicely with some of the opportunities we are hoping to develop following our success in securing several grants this year. One of these grants has provided us with gardening resources, including seeds, planting calendars and lesson plans to support growing food in school. If there are any parents or family members interested in helping to run a gardening club, either this term or next year, we would love to hear from you.

More generally, if you have ideas for clubs that you would like to see us offer, or skills and expertise that you would be willing to share by helping to run a club, please do get in touch. We are always keen to provide as many enriching opportunities as possible for our children.

Finally, preparations continue for Sports Day on 9th July and the much-anticipated Teacher Inflatable Race. If you would still like to donate to our outdoor classroom project, donations can be made via our Just Giving page: [Crowdfunding For Good From JustGiving](#)

Thank you, as always, for your continued support.

Wessex Learning Trust

We Learn Together

Dear Parents and Carers,

We would like to share an important update regarding our school catering provision.

Following a Trust-wide procurement process, Wessex Learning Trust has agreed a new catering contract with Aspens, which will commence on 1st August 2026. This decision has been made to ensure a consistent, high-quality catering offer across our schools, and we will be working closely with Aspens over the coming months to support a smooth transition for all pupils.

As part of this transition, it is essential that Aspens has accurate and up-to-date information about pupils' dietary needs. We therefore ask all parents and carers to please complete [Aspens Allergen Form](#) by Friday 26th June.

When completing the form, please ensure that you include:

- The school your child will be attending in September 2026
- Their year group in September 2026

Providing this information now will help ensure that appropriate provision is in place from the start of the new academic year.

We also want to make you aware of a change to the meal ordering system. From September, school lunches will no longer be ordered through My Child at School if they are currently. Further details about the new ordering process will be shared with you later this term, giving you plenty of time to prepare for the change.

We appreciate your support as we work through this transition and continue to focus on providing a positive experience for all our pupils.

If you have any questions, please do not hesitate to get in touch.

Kind regards,
Emma May
Trust Procurement Manager
