

OUR SCHOOL NOW HAS AN ANAPHYLAXIS KITT

We are pleased to let parents and carers know that our school now has an Anaphylaxis Kitt supplied by Kitt Medical on site.

WHAT IS IT?

The Anaphylaxis Kitt comes with **four adrenaline auto-injectors** and clear instructions for use in a medical emergency, alongside **anaphylaxis awareness training** for staff.

Adrenaline is the **first-line treatment** for severe allergic reactions (anaphylaxis) and can be life-saving when given promptly.

WHY DOES THE SCHOOL HAVE ONE?

- Severe allergic reactions can occur suddenly and unexpectedly.
- Not everyone who experiences anaphylaxis has a known allergy.

WHO CAN THE KITT BE USED FOR?

Any pupil, staff member or visitor on the school site experiencing a suspected anaphylactic reaction. Including individuals without a diagnosed allergy.

IMPORTANT INFORMATION FOR PARENTS & CARERS

If your child has a diagnosed allergy:

- Please continue to provide their prescribed adrenaline auto-injectors.
- Inform the school of any changes to medical needs.
- The school Anaphylaxis Kitt does not replace a child's own medication.
